

The National Informatics Centre (NIC), under the Ministry of Electronics and Information Technology, “Sandes” an instant messaging platform launched. Similar to WhatsApp, the new government instant messaging systems (GIMS) platform can be used for all kinds of communications by anyone using a mobile number or email id.

About the app

The Sandes app is also a part of the government strategy to encourage the use of India-made software so as to build an ecosystem of indigenously developed products.

National Informatics Centre Founded: 1976.

National Informatics Centre Director-General: Neeta Verma.
