## Prompt Corrective Action (PCA) Framework for Scheduled Commercial Banks

- The objective of the PCA framework, RBI said, is to enable supervisory intervention at appropriate time and require the supervised entity to initiate and implement remedial measures in a timely manner, so as to restore its financial health.
- A bank will generally be placed under PCA Framework based on the Audited Annual Financial Results and the ongoing Supervisory Assessment made by RBI. RBI may impose PCA on any bank during the course of a year (including migration from one threshold to another) in case the circumstances so warrant.
- Prompt Corrective Action Framework refers to the central bank's watchlist of weak banks.
