

CURRENT AFFAIRS 30th June 2024

1. ****Tata Group Brand Value**:**

Tata Group remains India's top brand at \$28.6 billion, with a 9% increase. HDFC Group rises to third place due to a major merger, boosting its influence in the financial sector.

2. ****MicrobioTx Personal Probiotics**:**

Bengaluru's MicrobioTx launches India's first personalized probiotics, crafted from individual gut profiles to combat urban India's prevalent gut health issues.

3. ****RPF's Sangyaan App**:**

Railway Protection Force introduces Sangyaan App to educate personnel on new criminal laws, aiding in better operational understanding through searchable and offline-access features.

4. NASA & SpaceX:

NASA has selected SpaceX to construct a vessel that will safely guide the International Space Station back through Earth's atmosphere for a final resting place in the Pacific Ocean after its planned retirement in 2030.

5. FATF :

Turkey has been removed from the Financial Action Task Force (FATF) 'grey list' due to substantial improvements in combating money laundering and terrorist financing. This move is expected to bolster foreign investor confidence and potentially strengthen the Turkish lira and assets amid economic challenges like high inflation and living costs.
