Dear Aspirants,

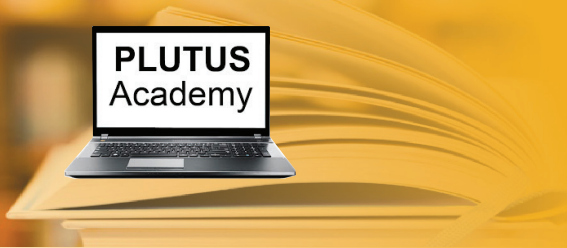

As we all know, the Civil Services Exam (CSE) is becoming more and more challenging due to the day by day increase in unpredictability. We at PLUTUS Academy developed this magazine keeping in mind the unpredictable nature of the Civil Services Exam. The development of the magazine is in such a chronological order that it gives conceptual clarity to aspirants at first glance. Each and every topic contains relevant sources and articles, an aspirant should first go through the original article and try to get conceptual grasp and make notes from them. After that they should read the topics from magazines. An aspirant should also try to make note of the keywords relevant for mains preparation. In this way an aspirant will move towards the unending ocean of civil services preparation with clarity and confidence.

Our PLUTUS Academy team wishes you All the Best for your career. Do hard work and be consistent in your journey, it will definitely give results. May you all crack the Civil Services Examination with flying colours.
